To: All Owners of Builders' Lifts and Tower Working Platforms
All Registered Contractors of Builders' Lifts and Tower Working Platforms
All Registered Examiners of Builders' Lifts and Tower Working Platforms

Dear Sirs,

Circular No. 2/2021

Code of Practice on the Design and Construction of Builders' Lifts (2021 Edition) and Code of Practice on the Design and Construction of Tower Working Platforms (2021 Edition)

I would like to inform you that a notice identifying the Code of Practice on the Design and Construction of Builders' Lifts (2021 Edition) and Code of Practice on the Design and Construction of Tower Working Platforms (2021 Edition) to be the amended codes of practice under the Builders' Lifts and Tower Working Platforms (Safety) Ordinance, Cap. 470, was gazetted today. It has been specified in the Gazette Notice that the amendments made to the codes of practice will take effect starting from 1 March 2022.

The new codes of practice (2021 Edition) have incorporated changes to align with the latest development of safety and design requirements of relevant applicable international standards as well as new local requirements.

The new codes of practice (2021 Edition) can be found at the following webpage:
